COMPANY PROFILE

Facilitation. Investment.
Intelligent Real Estate Delivery
www.dylp.io

WHO ARE WE?

DyIp is a contemporary real estate facilitation and investment firm built to serve the evolving needs of today's premium Nigerian property market.

We specialise in structuring, marketing, and managing real estate developments through strong partnerships, intelligent capital deployment, and refined market insight. With a commitment to excellence that spans over two decades, our reputation rests on delivering **certainty, value, and tangible growth** that outlives trends and outgrows inflation.

Our Distinction

Strategic Positioning

We do not operate like your conventional real estate agency. We are facilitators that bring together project vision, engineering capability, financial structure, and market relationships. This gives investors and partners access to opportunities typically unavailable in the open market.

Best-in-Class Market Intelligence

Our advisory team evaluates location fundamentals, regulatory exposure, construction risk, market absorption trends, and investor appetite before we accept any project. This ensures our partners commit only to projects that are positioned to deliver measurable value.

High-Calibre Partnerships

We collaborate with established development firms, specialist engineers, facility managers, and financial experts to ensure every project we facilitate is credible, market-ready, and investment-worthy.

HOW CAN WE HELP?

PROJECT FACILITATION

We structure real estate developments from concept to completion by aligning landowners, developers, financiers, technical teams, and investors. Our facilitation model ensures clarity, accountability, and smooth execution across every stage of development.

INVESTMENT

Our investment strategies are built upon three core pillars: **Property Trading, Strategic Real Estate Planning and Advisory,** and **Robust Joint Ventures.** We leverage our deep market intelligence to develop specialized real estate portfolios for our investors and partners, generating reliable positive cash flow through active trading and long-term rental revenue from held assets.

MARKETING & ADVISORY

We deliver premium, data-driven market positioning designed to attract qualified buyers and institutional investors, supported by clear strategies aligned with today's lifestyle and investment trends.

Our advisory covers **pricing, feasibility, market entry, regulatory clarity,** and **investor relations,** ensuring every decision is backed by accurate insight and practical market intelligence.

OUR VALUES

INTEGRITY

Integrity involves honesty, transparency, and fairness, fostering trust within teams, with clients, and partners, creating a respectful environment to achieve goals honorably.

TRUST

Trust is vital in relationships, promoting honesty and reliability to create a safe and supportive environment for growth and strong connections based on respect and open-mindedness.

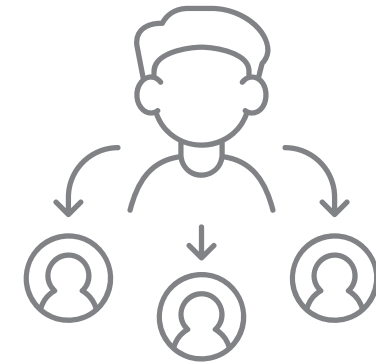

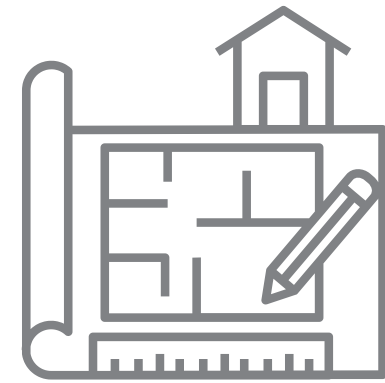

EXCELLENCE

Our commitment to excellence drives us to surpass standards, innovate, and deliver exceptional quality through attention to detail, continuous improvement, and a passion for achieving the best results, fostering growth and evolution.

MD/CEO

DAYO OLAIYA

The logo for DYLP, featuring the lowercase letters 'dylp' in a grey sans-serif font, with a red dot above the 'p'.

Dayo Olaiya is a qualified **Estate Surveyor** whose career spans over 25 years in the real estate sector, grounded in vast experience across Investment and Trade.

Prior to establishing DYLP, his primary focus in Commodity Trading instilled a keen understanding of market dynamics and value that he successfully translated into property development.

Recognizing the market's need for verifiable quality and diversification, Mr. Olaiya birthed DYLP. His meticulous attention to detail and extensive experience in Strategic Planning and Advisory as well as expert land trading have been instrumental in helping DYLP's clients achieve maximum results and secure the company's position as a major industry player.

Mr. Olaiya is a graduate of Obafemi Awolowo University, Ile-Ife, and is happily married with two sons.
